THE MANSLAUGHTER OF MR. MOON.
Mrs. Hannah Newington (alias Flor Dory) was found guilty of the manslaughter of Mr. F. Moon on the same day as that on which Mr. Moon was shot, and sentenced by Baron Brough to eight years' imprisonment, a sentence which took the prisoner so much by surprise that she fainted on hearing it. Mr. Baron Channell seems to have thought that there were circumstances bringing the act within the definition of manslaughter, and that the indictment might have been for murder as well as manslaughter. Apparently he attached weight to the evidence of Capt. Elliot, that the deceased had said of the accused, "It is not your fault that you have tried to do it." It was this evidence, no doubt, which made the sentence so heavy, and not, as it is now, the fact that the prisoner was found guilty of manslaughter.
